

Job Posting Service Benefits AGSES Members

AGSES offers its members access to a national job posting service. Members may post job descriptions for positions available at their councils by following the procedures listed below:

Procedures

Provide your job posting/description of any length typed in a Microsoft Word document and formatted as you would like it to appear. (AGSES will add its stationary heading to your announcement. Fonts and font sizes are subject to change.)

Charges:

\$200 for one announcement.
\$150 for each additional announcement (submitted with the first)

Email your job posting as an attachment to AGSES at admin@agses.org. Payment is preferred prior to the distribution of a job posting - you will be emailed an invoice when your announcement(s) is received. (Visa & MasterCard are accepted.)

AGSES will email your posting directly to the current membership of AGSES, post it on the AGSES website, as well as note it in our e-Newsletter, the **MemberLink**. The posting will remain on the AGSES website for 4 months unless we are asked to remove it prior to that.

Members requesting further information should contact AGSES at admin@agses.org.
